Dear Whomever it May Concern:

AccuTech Environmental Services, Inc. has been retained to conduct a Phase I Environmental Site Assessment (ESA) in accordance with the ASTM Standard E1527-13 for the above referenced site. Based on the Phase I ESA, AccuTech is requesting an Open Public Records Request (OPRA) with the US Environmental Protection Agency (EPA). AccuTech is requesting to review all public files for the above referenced site. Specifically, searching for records pertaining to aboveground and underground storage tanks, remedial investigation, remedial action, soil and groundwater analytical results, land use, spills, hazardous wastes, air emissions, pesticides, enforcement action, maps, permits, and any health and/or environmental violations.

If you have any questions, please feel free to contact me at 732-739-6444, extension 24. I can also be reached at [mpiegaro@accutechenvironmental.com](mailto:mpiegaro@accutechenvironmental.com).

Yours truly,

Michael Piegaro
